RECIPE FOR GRAY HAIR.

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair and remove dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

friends. The Rev. Mr. Hutchinson was the officiating clergyman. The house was beautifully decorated for the occasion in green and white.

The ceremony took place in the living room beneath a large circle and bell, with green and white streamers extending to each corner of the room. The shades were lowered and small lamps lighted making a soft light. The wedding music was rendered by Miss Blanch Robertson.

Miss Alma Keys, sister of the groom, was maid of honor, and Mr. Roscoe Deacon was best man.

The bride, who entered with the

Teeth Important to Health!

Half chewing and full chewing makes all the difference between the half nourished mind and body and the full nourished mind and body. It not only affects health, but efficiency and earning power. Both looks and efficiency are so very important that for most all the people a difference of a few dollars in the cost of a plate is much less important than the results from the plate.
